

## What is Pregnant by Choice?

- Pregnant by Choice is a program that provides family planning services to women who have received Medicaid benefits through the Pregnant Women program.
- This program extends birth control options to women who would typically lose their Medicaid benefits two months after giving birth.

#### **CHOOSE WHEN TO GET PREGNANT**

Family Planning can help you and your family to have a better life.

- Mothers and babies have a better chance of being healthy.
- Parents can better provide for their family, both financially and emotionally.
- Children get more time and attention.

# How to apply

Within 60 days of giving birth, the Department of Family Services (DFS) will send a review form to determine if you may be eligible for the Pregnant Women program. If you need assistance with birth control, complete the form and return it to DFS for processing.

## A woman is eligible if she:

- is transitioning from the **Pregnant Women Program**
- is not eligible for another Medicaid program, and
- doesn't have health insurance, and
- must not have had a medical procedure to prevent pregnancy, and
- is a U.S. Citizen, and
- is a Wyoming Resident, and
- is age 19 through 44, and
- has an income less than or equal to 133% of the Federal Poverty Level, and
- is not pregnant

### Have questions?

To see if you are eligible, contact your local Department of Family Services (DFS) Office. If you have questions about what services are covered by Pregnant by Choice, call ACS at 1-800-251-1269.
